

Drunk and Drugged Driving Prevention Fund Billing Manual

Purpose of the Program

The purpose and intent of the Drunk and Drugged Driving Prevention Fund is to make evaluation and risk education services, following a conviction for driving under the influence of alcohol and/or other drugs (DUI), available to offenders who have inadequate financial resources.

Programs providing these services must comply with the provisions of the Alcoholism and Other Drug Abuse and Dependency Act [20 ILCS 301/1-1], and the Department rules and regulations promulgated under this Act, Part 2060. The Drunk and Drugged Driving Prevention Fund was authorized by the Illinois General Assembly in Public Act 85-1304.

Reimbursable Services

The only reimbursable services are DUI evaluations and DUI risk education courses.

DUI evaluations shall be limited to one evaluation per offender per DUI episode. For billing purposes, the unit of service shall be a completed evaluation as described in Part 2060 regardless of the time it takes to meet all requirements for the DUI offender.

DUI risk education courses shall be limited to one completed course per offender per DUI episode. For billing purposes the unit of service shall be one completed course as described in Part 2060.

Offender Eligibility Requirements

In order to submit a claim for reimbursement from the Drunk and Drugged Driving Prevention Fund, a provider must verify that the offender's annual income and dependents meet the following guidelines:
